

Net Cashier

Eventually, your bought media / TV time will run out. Luckily, you'll still have your NetCashier taking orders over the Web for years to come... !

NetCashier is a Web Merchant Companion for infomercials or commercially advertised products and comprises :

- domain name for 1 year
- host account for 90 days
- webpage/item display interface
- data collection system
- shared secure layer (SSL)
- shopping cart with multi state sales tax calculator
- secure credit card /order storage
- order taking system
- link to client's chosen fulfillment house

Access to toll free telemarketing companies and fulfillment houses is also available.....

Call us today to get started on your 24/7 global storefront.
